. INSPIRATION! .
My picture of the week...

So fresh, so summer! This 'Hydrangea Everlasting Garnet' was photographed from my hotel in Zandvoort, just west of Amsterdam. A pretty area that stretches along the coast, overlooking the North Sea.

. ART .
Pretty in Pink... my Grandmother's Roses !!

This artwork is done with little bits of paper.
My inspiration? My Grandmother,
Mary, who grew the most
beautiful pink & red roses that bordered her home.
When I smell roses today, I think of her!

. HOME DESIGN .

Add a little touch of PINK to your Interior !

Be creative with your home! Think PINK! Incorporate this beautiful color for a fresh perspective:

- The background is neutral creamy white and soft brown brick. Pure simplicity!
- Featured on the floor is a multi-colored area carpet that incorporates a variety of pinks & warm neutrals.
- The artwork is fresh & simple. Four pieces positioned at the perfect height for maximum impact.
- Trim is black and in keeping with an industrial look.
- Pillows pack punch, each a different pattern and the perfect way to add an original finishing touch.

With my every best wish...

Pink was always a fun part of the palette to design.
I have always loved this color because it works so beautifully with so many other colors of the spectrum!
